PISTACHIO CREAM

The gift of nature, the art of BELIZ

THE STORY OF BELIZ

BELIZ is the unique recipe that comes to life in the lands where pistachios grow.

Since 1879, we have been delivering the pistachios we produce from our own gardens to all parts of the world. Now, we are bringing together the experience of pistachio cultivation with the unique cuisine of Gaziantep and presenting you with the most modern form of pistachios.

Happiness will be between you and 'Beliz'...

Aflatoxin testing was performed by an internationally accredited laboratory.

The best quality pistachios of the new harvest period were used.
